

## 20 Godstone Road Tenant Engagement and Information Meeting

Fairview Place (Fieldgate Properties) has proposed to construct two mid-rise residential apartment buildings (application number 19 117787 NNY 17 OZ). An 8 storey apartment building fronting onto Godstone Rd containing 67 dwelling units and a 14 storey apartment building containing 181 dwelling units adjacent to Don Mills Rd, a total of 248 rental units. Where significant new development occurs on sites containing six or more rental units, the City of Toronto should secure any needed improvements and/or renovations to the existing building to extend the life of the building(s) that are to remain and to improve amenities.

We cordially invite residents of 20 Godstone Road to a tenant survey information meeting to be held at the Oriole Community Centre Multipurpose Room. The purpose of this meeting will be to discuss the results of the tenant survey and garner further feedback regarding the future amenity updates to 20 Godstone Road. For any questions or comments, please see the information below for City of Toronto Staff.
